

CALL#	DAYS	HOURS	ROOM	INSTR.	DATES
Online - Hybrid					

ADJUS-121 Concepts of Criminal Law (LR) - 3 Units

This course is an introduction to the historical development, philosophy, and basic legal concepts of criminal law. The course includes an examination of constitutional provisions, legal research, legal analysis, and the functioning of criminal law as a social force. It also includes a detailed examination of legal definitions, classifications of law, penalties, corpus delicti, criminal intent, parties to a crime, defenses to crime, and a brief introduction to laws of arrest and judicial procedure. This course meets the CSU General Education requirement for Area D8-Political Science, Government, and Legal Institutions.

5084	TTH	12:40-2:00pm	AA-142	Martin, K	Semester
------	-----	--------------	--------	-----------	----------

Section 5084 is a partially Online (hybrid) class.

ADJUS-122 Criminal Procedures (LR) - 3 Units

This course is an introduction to the origin, development, philosophy, and legal basis of criminal procedures in California. It will include an overview of procedural law, case law, and constitutional law governing arrest; use of force; motions; rules of discovery and applicable rules of evidence, the California court system; California grand jury system; pretrial court procedures; adult trial procedures; juvenile trial procedures; sentencing and the appellate process.

5087			ONLINE	Ramos, R	Semester
------	--	--	--------	----------	----------

Section 5087 is an Online class. Mandatory Orientation mtg: Saturday, 2/4 from 2:10-4 pm in CTC-128. Students who miss this meeting will be dropped from the roster

ADJUS-221 Legal Aspects of Evidence (LR) - 3 Units

Prerequisite: ADJUS 121 or concurrently

This course will teach the student an overview of the statutory, constitutional, and judicial rules which govern the admissibility of evidence in the courtroom. The legal aspects of evidence comprise an important body of knowledge for law enforcement officers who are in the course of an investigation. A proper understanding of these rules enhances the successful presentation of testimonial, documentary, real and physical evidence in a criminal prosecution; assists the trier of fact in reaching the truth of the matter; and promotes due process of law.

2062			ONLINE	Ramos, R	Semester
------	--	--	--------	----------	----------

Section 2062 is an ONLINE class. Mandatory Orientation Meeting Saturday, February 4 from 9:10 - 11:30am in CTC 128. Students who miss this meeting will be dropped from the roster.

ADJUS-223 Community Relations and Cultural Issues (LR) - 3 Units

Advisory: SPCH 120

An overview of multicultural concepts and issues, including those relating to ethnicity, gender, age, and sexual preference, and the application of those concepts and issues to public service disciplines.

2066			ONLINE	Ramos, R	Semester
------	--	--	--------	----------	----------

Section 2066 is an ONLINE class. Mandatory Orientation meeting Saturday, Feb. 4 from 11:40-2pm in CTC 128. Plus a Mandatory Online meeting Friday, Feb. 24 from 6-10pm through CCCconfer.ORG. Training about CCCconfer occurs in orientation on Feb. 4.

CALL#	DAYS	HOURS	ROOM	INSTR.	DATES
ART-116	Art Appreciation (SC) - 3 Units				

A survey course tracing the development of Western Art from Paleolithic times to the present with special emphasis on painting. This course meets the CSU General Education requirement for Area C1-Arts (Art, Dance, Music, Theatre).

KINES-201 Kinesiology and Applied Anatomy (SC) - 3 Units

CALL#	DAYS	HOURS	ROOM	INSTR.	DATES

This course introduces the foundations of kinesiology, i.e., structure and function of skeletal-muscular anatomy, physiology of muscle contraction, and neurology and servomotor control over the lifespan. Basic skeletal-muscular anatomy, biomechanics of specific structures, and analysis and assessment of human movement performance will be discussed as they relate to psychological and social development. Approximately 75 muscle pairs will be discussed. This course meets partial CSU General Education requirement for Area E-Lifelong Understanding and Self-Development (verify limitations listed in Catalog, Ch.3).

2474			ONLINE	Goehring, B	Semester
------	--	--	--------	-------------	----------

Section 2471 is offered in an Online format. Mandatory Orientation: Monday 1/23, 4-5pm in LA 101. Email inquiries to bgoehring@contracosta.edu.

KINES-225 Fundamentals of Coaching (SC) - 3 Units

This course is a comprehensive introduction to the practical, vocational and scientific principles that are essential to coaching sports. It provides students with the skills, knowledge and scientific background necessary to become successful coaches. Successful completion of the class will provide students with a valid high school coaching certificate for the state of California and units toward the completion of a Certificate of Achievement in Coaching and or an AA in Physical Education from Contra Costa College.

6351			ONLINE	Zeller, R	Semester
------	--	--	--------	-----------	----------

Mandatory orientation in Library Resource Center from 6:10-8:00pm on Tues. 1/24. Email rzeller@contracosta.edu for more information.

LIBST-110A Library and Information Research Skills (SC) - 1 Unit

This is a performance-based course that introduces students to a variety of print and electronic information resources. Students will learn how to use and select the most appropriate sources for different information needs, utilize an effective search strategy, and evaluate search results. Students will become 'information competent'. This course is equivalent to the first unit of LIBST 110. This course may be offered in lecture or online format.

4458			ONLINE	Caldeira, P	1/31-3/23
------	--	--	--------	-------------	-----------

Section 4458 is a part of the PACE Program and is offered in an ONLINE format although any student may take this class. There are two mandatory meetings: Tues., 1/31 and 2/7, 6:10-9:00pm in the Library, Room 107. This course fulfills the Information Competency Graduation Requirement.

3455			ONLINE	Staff	2/16-4/17
------	--	--	--------	-------	-----------

Section 3455 is offered in an ONLINE format. There are two mandatory meetings: Thurs., 2/16 and 2/23 from 6:10-9pm in the Library, Room 107. This course fulfills the Information Competency Graduation Requirement.

3452			ONLINE	Kinney, M	2/27-4/26
------	--	--	--------	-----------	-----------

Section 3452 is offered in an ONLINE format. There are two mandatory meetings: Mon., 2/27 and 3/5, 6:10-9:00pm, in the Library, Room 107. This course fulfills the Information Competency Graduation Requirement.

3453			ONLINE	Caldeira, P	3/28-5/21
------	--	--	--------	-------------	-----------

Section 3453 is offered in an ONLINE format. There are two mandatory meetings: Wed. 3/28 and 4/11, from 6:10-9pm in the Library, L-107. This course fulfills the Information Competency Graduation Requirement.

MATH-118 Elementary Algebra (LR) - 5 Units

CALL#	DAYS	HOURS	ROOM	INSTR.	DATES
-------	------	-------	------	--------	-------

Advisory: Concurrent enrollment in MATH 875N is highly recommended.

This course presents the real number system, solving and graphing linear equations and inequalities, polynomials, exponents and rational expressions. (Students who have successfully completed beginning algebra (Algebra I) in high school will not receive credit for MATH 118.) Not repeatable.

3252			ONLINE	Bersano, E	Semester
	M	5:00-7:00pm	CTC-131		

Section 3252 is offered in a Online format. For mandatory class meetings (students must bring picture ID): Orientation: Mon., 1/23 from 5-7pm in CTC-131 Midterm Exam: Mon., 3/5 from 5-7pm in CTC-131 Final Exam: Mon., 5/21 from 5-7pm in CTC-131.

MATH-120 Intermediate Algebra (LR) - 5 Units

Prerequisite: MATH 118 or one year of high school algebra.

Advisory: Concurrent enrollment in MATH 875N is highly recommended.

This course provides further development of material of MATH 118, second-degree equations and inequalities, functions, conic sections, systems of equations, and exponential and logarithmic functions. (Students who have successfully completed beginning and intermediate algebra (Algebra I and II) in high school will not receive credit for MATH 120.) Not repeatable.

7777			ONLINE	Bersano, E	Semester
------	--	--	--------	------------	----------

Section 7777 is offered in an Online format.
For mandatory class meetings (students must bring picture ID):
Orientation: Tues., 1/24 from 5-7pm in CTC-131
Midterm Exam: Tues., 3/6 from 5-7pm in CTC-131
Final Exam: Tues., 5/22 from 5-7pm in CTC-131

MATH-164 Introduction to Probability and Statistics (LR) - 4 Units

Prerequisite: MATH 120 or two years of high school algebra.

Advisory: Concurrent enrollment in MATH 875N is highly recommended.

Introduction to the theory of probability and a study of descriptive statistics and statistical inference. This course meets the CSU General Education requirement for Area B4-Mathematics/Quantitative Reasoning.

6436			ONLINE	Bersano, E	Semester
------	--	--	--------	------------	----------

Section 6436 is offered in an Online format.
For mandatory class meetings (students must bring picture ID):
Orientation: Wed., 1/25 from 5-7pm in CTC-114
Midterm Exam: Wed., 3/7 from 5-7pm in CTC-114
Final Exam: Wed., 5/23 from 5-7pm in CTC-114
