I understand and agree that as the parent/legal guardian of the minor, I am and remain financially responsible for the mandatory health insurance required for all International Students. I also grant permission for any necessary medical treatment of the minor while attending Contra Costa College.

I understand that Contra Costa College requires that minor students live under the supervision of a host family for a minimum of two months or until they reach the age of 18 years. Students may also show that they are living with family or friends of family in the area. I understand that in all legal issues, I am and remain responsible for the care and guardianship of this minor student.
