Cal Grant Deadline

The State of California offers state aid through the Cal Grant program. To determine your eligibility for this additional state aid you must complete all necessary application paperwork by the Cal Grant deadline. The deadline is March 2 annually for the following academic year, with a second deadline of September 2 annually (for community college students only). For more information, log on to www.calgrants.org.

California Dream Act

If you are not a U.S. citizen or eligible non-citizen (including undocumented and DACA students) and meet AB540 requirements, you may qualify for state financial aid programs. Pell Lifetime Eligibility Limit

The duration of a student's eligibility to receive a Federal Pell Grant is 12 full-time semesters (or its equivalent). The calculation of the duration of a student's eligibility will include all years of the student's receipt of Federal Pell Grant funding. Once a student has received a Federal Pell Grant for 12 full-time semesters (or its equivalent), the student will no longer be eligible for a Federal Pell Grant for future semesters. There is no appeal process for this limit.

High School Graduation Requirements

Students who do not have a high school diploma or a recognized equivalent (e.g., GED), or do not meet the home school requirements, will not be eligible to receive federal student aid. Students may qualify for federal student aid under one of the Ability-to-Benefit (ATB) alternatives if the student was enrolled in an eligible program prior to July 1, 2012. The ATB alternatives include the student passing an independently administered, approved ATB test or successfully completing at least six credit hours of postsecondary education.

Financial Aid Repeat Course Policy

The Department of Education has set a limit on the number of times a course can be repeated before it is excluded from a student's enrollment status for financial aid purposes. To read the policy in its entirety, visit www.contracosta.edu/financialaid to review Financial Aid Policies.

Satisfactory Academic Progress (SAP) Policy

In accordance with federal financial aid regulations, students are required to maintain minimum academic and progress requirements in order to remain eligible to receive financial assistance. To read the SAP Policy in its entirety, visit www.contracosta.edu/financialaid.

STEPS TO SUCCESS • SPRING 2017

STEP 1 - Submit an Application for Admission

Go to www.contracosta.edu/apply to complete your application online. To submit an application in person visit the Welcome Center, Room 111 in the Student Services Center.

STEP 2 - Apply for Financial Aid

College can be expensive, but we are here to help! Federal and state financial aid is available to students who qualify. If you are a U.S. citizen or eligible non-citizen, get help paying for college by completing the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov. If you are not a U.S. citizen or eligible non-citizen (including undocumented students, nonresidents, and DACA students) and meet Assembly Bill AB 540 requirements: complete the Dream Act Application to qualify for state aid programs by visiting www.caldreamact.org. Not sure if you meet AB540? See the Admissions & Records Office to inquire on your status.

Students who complete the FAFSA or Dream Act Application will be automatically considered for the Board of Governors (BOG) Fee Waiver, which waives your class fees. There's no need to fill out a separate application! If you would like to apply for only the BOG and not for grants, loans or work study, you may complete the BOG application, which is available on our website. You can also visit the Office of Financial Assistance in person to pick up a paper application.

Need help filling out your application online? Visit the Financial Aid Computer Lab for one-on-one help from a financial aid staff member. For lab hours, visit www.contracosta.edu/financialaid. Applying for financial aid has never been easier!
