There is no appeal process for this limit.

## **High School Graduation Requirements**

Students may qualify for financial aid under one of the Ability-to-Benefit (ATB) alternatives if the student was enrolled in an eligible program prior to July 1, 2012. The ATB alternatives include the student passing an independently administered, approved ATB test or successfully completing at least six credit hours of postsecondary education.

## Where do I start at Contra Costa College?

# STEPS TO SUCCESS • SPRING 2018

### STEP 1 – Submit an Application for Admission

Go to [www.contracosta.edu/apply](http://www.contracosta.edu/apply) to complete your application online. To submit an application in person visit the Welcome Center, Room 111 in the Student Services Center.

### STEP 2 – Apply for Financial Aid

College can be expensive, but we are here to help! Federal and state financial aid is available to students who qualify. If you are a U.S. citizen or eligible non-citizen, get help paying for college by completing the Free Application for Federal Student Aid (FAFSA) online at [www.fafsa.gov](http://www.fafsa.gov). If you are not a U.S. citizen or eligible non-citizen (including undocumented students, nonresidents, and DACA students) and meet AB 540 requirements, complete the Dream Act Application to qualify for state aid programs at [www.caldreamact.org](http://www.caldreamact.org). Not sure if you meet AB540? See the Admissions and Records Office to inquire on your status.

Students who complete the FAFSA or Dream Act Application will be automatically considered for the Board of Governors (BOG) Fee Waiver, which waives your class fees. There's no need to fill out a separate application! If you would like to apply for only the BOG and not for grants, loans, or work study, you may complete the BOG application, which is available on our website. You can also visit the Office of Financial Assistance in person to pick up a paper application.

Need help filling out your application online? Visit the Financial Aid Computer Lab for one-on-one help from a financial aid staff member. For lab hours, visit [www.contracosta.edu/financialaid](http://www.contracosta.edu/financialaid). Applying for financial aid has never been easier!

### STEP 3 – Complete Orientation or Enroll in ESL-108\*

New students at Contra Costa College are required to complete orientation. Orientation is offered online through self-paced modules where you will learn a wealth of information about programs, classes, support services, and campus policies. After you submit your application for admission, you will receive an email with a link to the online orientation.

\* For non-native English speakers and learners, an in-person class, ESL-108 was designed as an alternative to the online orientation. Information on ESL-108 can be found at [insite.4cd.edu/search](http://insite.4cd.edu/search).

### STEP 4 – Complete the Assessment

We want to meet you where you are! Assessing your math and English or English as a Second Language (ESL) skills will help you choose the right classes. You have two options to find out your class placement recommendation. Visit [www.contracosta.edu/assessment](http://www.contracosta.edu/assessment) to use your high school transcripts to self-report grades from classes you have already taken. You can also make an appointment, online or in person, to take an assessment test in the Assessment Center, Room 104 of the Student Services Center.

### STEP 5 – Enroll in Counseling-108 (COUNS-108) and Develop an Educational Plan

An educational plan is a map to help you identify the courses required to complete your goals. By enrolling in COUNS-108: Introduction to Educational Planning, you will work with a counselor to identify your specific program of study and the most direct route from start to finish. Information on COUNS-108 can be found at [www.contracosta.edu/steps-to-success](http://www.contracosta.edu/steps-to-success).
