STEP 2 – Apply for Financial Aid

College can be expensive, but we are here to help! Federal and state financial aid is available to students who qualify. See page 5 for more details.

STEP 3 – Complete Orientation

New students at Contra Costa College are required to complete orientation. Orientation is offered online through self-paced modules where you will learn a wealth of information about programs, classes, support services, and campus policies. After you submit your application for admission, you will receive an email with a link to the online orientation.

* For non-native English speakers and learners, an in-person class, ESL-108 is available. Information about ESL-108 can be found at InSite.4cd.edu/search.

STEP 4 – Complete the Assessment

We want to meet you where you are! Assessing your math and English or English as a Second Language (ESL) skills will help you choose the right classes. Visit www.contracosta.edu/assessment to use your high school transcripts to self-report grades from classes you have already taken. You can also make an appointment, online or in person, to take an assessment test in the Assessment Center of the Student Services Center, Room 104.

STEP 5 – Develop an Educational Plan

An educational plan is a map to help you identify the courses required to complete your goals. By enrolling in COUNS-108: Introduction to Educational Planning, you will work with a counselor to identify your specific program of study and the most direct route from start to finish. Information about COUNS-108 can be found at www.contracosta.edu/steps-to-success.

The ATB alternatives include the student passing an independently administered, approved ATB test or successfully completing at least six credit hours of postsecondary education.
