

2019-2020 V5 Aggregate Verification Form

The Department of Education has selected your FAFSA for a review process called *verification*. In this process, the financial aid office will be comparing information from your FAFSA with this worksheet and your IRS Data. Federal regulations require colleges to ask for this information before disbursing federal aid. If there are differences between your application and the documents you provide, your FAFSA information will need to be corrected by your Financial Aid Administrator.
