## Where do I start at Contra Costa College?

# STEPS TO SUCCESS

### STEP 1 – Submit an Application for Admission

Go to [www.contracosta.edu/apply](http://www.contracosta.edu/apply) to complete your application online. To submit an application in person visit the Welcome Center in the Student Services Center, Room 111.

### STEP 2 – Apply for Financial Aid

College can be expensive, but we are here to help! Federal and state financial aid is available to students who qualify. See page 6 for more details.

### STEP 3 – Complete Orientation

New students at Contra Costa College are required to complete orientation. Orientation is offered online through self-paced modules where you will learn a wealth of information about programs, classes, support services, and campus policies. After you submit your application for admission, you will receive an email with a link to the online orientation.

\* For non-native English speakers and learners, an in-person class, ESL-108, is available. Information about ESL-108 can be found at [InSite.4cd.edu/search](http://InSite.4cd.edu/search).

### STEP 4 – Complete the Assessment

We want to meet you where you are! Assessing your math and English or English as a Second Language (ESL) skills will help you choose the right classes. If you attended high school in the United States: for math and English, visit [www.contracosta.edu/assessment](http://www.contracosta.edu/assessment) to use your high school transcripts to self-report grades from classes you have already taken. For ESL: make an appointment, online or in person, to take an assessment test in the Assessment Center of the Student Services Center, Room 104.

### STEP 5 – Develop an Educational Plan

An educational plan is a map to help you identify the courses required to complete your goals. By enrolling in COUNS-108: Introduction to Educational Planning, you will work with a counselor to identify your specific program of study and the most direct route from start to finish. Information about COUNS-108 can be found at [www.contracosta.edu/steps-to-success](http://www.contracosta.edu/steps-to-success).

### STEP 6 – Register for Classes

# FINANCIAL AID INFORMATION

## California College Promise Grant (formerly the BOG Fee Waiver)

Students who meet specific income and academic requirements can have their class fees waived. If you have already filed your 2019-2020 Free Application for Federal Student Aid (FAFSA) you may already have a California College Promise Grant fee waiver awarded. Please log in to InSite at <https://m4cd.edu> and click on the "Financial Aid" tile, then "Financial Aid Home" to view your status.

## FAFSA

Fill out the Free Application for Federal Student Aid (FAFSA) to see if you are eligible to receive the Promise Grant fee waiver as well as free cash aid to go to school. Apply online at [www.fafsa.gov](http://www.fafsa.gov). To apply for financial aid for the spring 2020 semester you must complete the 2019-20 FAFSA. Contra Costa College's school code is 001190.

## Cal Grant Deadline

The State of California offers state aid through the Cal Grant program. To determine your eligibility for this additional state aid you must complete all necessary application paperwork by the Cal Grant deadline. The deadline is March 2 annually for the following academic year, with a second deadline of September 2 annually (for community college students only). For more information, visit [www.calgrants.org](http://www.calgrants.org).

## California Dream Act

If you are not a U.S. citizen or eligible non-citizen (including undocumented and DACA students) and meet AB540 requirements, you may qualify for state financial aid programs, including the Promise Grant fee waiver. Apply online by completing the Dream Act Application at [www.caldreamact.org](http://www.caldreamact.org). The deadline to be considered for state grants is March 2 annually for the following academic year, but students can apply throughout the academic year for Promise Grant fee waiver consideration.

## Pell Lifetime Eligibility Limit

The duration of a student's eligibility to receive a Federal Pell Grant is 12 full-time semesters (or its equivalent). The calculation of the duration of a student's eligibility will include all years of the student's receipt of Federal Pell Grant funding. Once a student has received a Federal Pell Grant for 12 full-time semesters (or its equivalent), the student will no longer be eligible for a Federal Pell Grant for future semesters. There is no appeal process for this limit.

## High School Graduation Requirements

Students who do not have a high school diploma or a recognized equivalent (e.g., GED), or do not meet the home school requirements, will not be eligible to receive financial aid. Students may qualify for financial aid under one of the Ability-to-Benefit (ATB) alternatives if the student was enrolled in an eligible program prior to July 1, 2012. The ATB alternatives include the student passing an independently administered, approved ATB test or successfully completing at least six credit hours of postsecondary education.

## Financial Aid Repeat Course Policy

The Department of Education has set a limit on the number of times a course can be repeated before it is excluded from a student's enrollment status for financial aid purposes. To read the policy in its entirety, visit [www.contracosta.edu/financialaid](http://www.contracosta.edu/financialaid).

## Satisfactory Academic Progress (SAP) Policy

In accordance with federal financial aid regulations, students are required to maintain minimum academic and progress requirements in order to remain eligible to receive financial assistance. To read the SAP Policy in its entirety, visit [www.contracosta.edu/financialaid](http://www.contracosta.edu/financialaid).

## Need help filling out your application online?
