Dear President Henry:

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met May 10, 2012 to review the Substantive Change Proposal from Contra Costa College to offer four associate degrees and eight certificate programs (attached) at 50 percent or more via a mode of distance or electronic delivery.

The Committee acted to approve the proposal and thanks the College for providing all of the necessary information to evaluate the request.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring integrity, effectiveness and quality.

Sincerely,

Susan B. Clifford, Ed.D.
