This course is a pre-requisite for PHYS-130, 120 and 120H. Essential for everyone, it is ideally taken before ("pre-requisite") your physics course, but can be taken concurrently (co-requisite). This is a pass/no-pass asynchronous online class. There are recorded lectures and examples in the Canvas modules to assist you. The course is based on the text. Handwritten solutions to text exercises are submitted online. There are short online quizzes. A passing grade will be given to those that have submitted solid attempts at the text exercises. The required text, Your Physics Coach, is available in the CCC Bookstore for approximately \$60. Be sure to get the text early as summer sessions are short. You might even get a head start by slowly working through it. All Waitlist students will be added, but can only officially add on the first day of summer session.
