It is a descriptive course, so no math calculations will be required. If you can take one of the HYBRID sections, it is recommended. In the hybrid sections, there is a weekly planetarium demonstration that helps dramatically and is very fun. If you cannot take the hybrid class, then certainly take the online one. There will be open office hours in the planetarium (and Zoom available) Tuesdays 11AM-12PM and Wednesdays 10AM- 12PM and 1-3PM. There will also be a Zoom video conferencing office hours available on Wednesday from 6:00PM to 7:00PM, and any time upon request. The required text (about \$65) is available in the CCC bookstore. There are assignments throughout the week. Three midterms and a comprehensive final exam are required synchronous on Thursday (dates to be announced during the first week) from 5:30-6:45pm. The exams may be taken on campus. Taking the exams online requires: working camera/video and audio, Chrome browser and Proctorio extension to Chrome (steps for setup will be given). In the event that the campus does not support Proctorio, exams will be
