Foreign Trained Nurse

Welcome to the Associate Degree Registered Nursing Program

The **Foreign Trained Nurse** is an applicant who has been trained in another country and has received a letter from the Board of Registered Nursing (BRN) indicating a need for additional course work in order to become eligible to take the State Licensure Examination (NCLEX-RN). Foreign Trained Nurses are admitted into the semester that offers the required course content identified by the BRN. **Foreign Trained Nurses are admitted based on space available.**
